

What supported housing means to me. Some words from our customers...

MAYTREE COURT

“This is my first independent home and I have made lots of new friends. I also have more independence and have learnt new life skills.”

Jane McBride

“I enjoy having my own space and the independence it gives me.”

Caroline Gledhill

“I like having my own home and privacy but I also like being able to spend time with the staff on site and my neighbours.”

Lisa Wood

Edith, age 74, lives at our Croxteth Grove Supported Scheme. She said “I love going on the day trips here, we have recently been to Wales and the Coronation Street set!”. Our other tenants Francis, Zula and Beryl said “We have come from a nursing home into supported housing which has made a positive change to our lives”.
