MONTHLY SPOTLIGHT

HAPPY NEW YEAR.

Happy New Year! I hope you are well and keeping safe. I would like to welcome you to the Your Voice 'Spotlight' - our brief monthly catch up with Customer Engagement Community members on the latest news, activities and opportunities.

Don't worry, we'll still send you our quarterly Your Voice newsletter for a more in-depth focus on all things engagement - but we thought you'd enjoy this too!

Remember to **check out the Onward website** for regular updates on services, here.

By now, you've probably seen the neighbourhood plan we produced for your area. We've just published an update on the promises we made and you can **take a look here**. We're on track to achieve some great things in 2021!

MAKE A DIFFERENCE.

We are hosting a series of online workshops to consider how Onward can make a difference in your local community.

This is an exciting opportunity for you to make a real difference and influence how we deliver services.

REAL TALK.

Take part in our informal online event with your friendly Customer Engagement team.

We'll explain how taking part, engaging and becoming an Onward influencer can play a crucial role in making change happen.
