Current Lettings Approach	<i>E.g. in line with Onward Policy – list where we are taking a different approach</i> In line with Onward Policy – 50% of all allocations to go via CBL, all bands unless a sensitive let is approved or the allocating Letting and Admin Specialist feels that a different route to allocation would be beneficial. Rightmove, Gumtree and the Onward Homes website can also be utilised.

Section 106	<i>Details of scheme and agreement</i>
Local Letting Plans	<i>Specific agreements with LA to carry out lettings in a different manor – need list of schemes and arrangements in place. These can only be included where we have specific agreements with the LA</i> <i>Links to any documents</i> NA

Key Challenges / Demand Issues	Suzanne Boardman House is a scheme which we have issues allocating to. It is situated in a rundown and deprived area where there are issues regarding sex work and substance misuse. Allocating to this scheme via CBL does not provide us with any applicants we almost certainly have to re advert on the CBL multiple times and utilise Gumtree, Rightmove and have an advert on the Onward Website. We have a list of agencies that we work with in order to assist us in obtaining interest in applicants, these are usually support agencies who support vulnerable customers with a housing need. We have been utilising HOS and charities to allocate these properties as they are extremely difficult to let.		
Council Tax	<i>Arrangement for council tax on empty properties</i> 6 months exemption applies – LAS Team to advise LCC of any properties that the exemption period has ended on.
